

13th January 2025

Dear Parents/Carers,

NMPAT Music Lessons

Following on from the success of a music technology project in partnership with NMPAT, we are pleased to offer Music Technology specialist peripatetic lessons that will take place here at Corby Technical School. This is a fantastic opportunity for students who have an interest to the technology side of music, looking at producing, recording and creating new sounds all using technology in our state-of-the-art music studio and still brings out creativity in a very different manner. Our studio has an abundance of industry standard microphones, mixing desk and software that are using commonly by producers, composer and engineers in the industry.

Students of any ability can access these sessions, so whether they are a complete beginner or have some previous experience, our NMPAT teacher will be able to cater sessions to their ability.

These sessions will be offered in the same manner as our instrumental lessons via a sign-up form provided via the link below. There is a cost to their lessons which will be payable via wise pay. This cost goes to NMPAT for the delivery of these lessons. Your child will be able to access half hour slots upon signing up. These can be taken individually or as a paired lesson.

- Individual Half Hour = £25 per session
- Shared/Paired Half Hour = £12.50 per session

We offer the option to pay for a term at a time in advance (10 lessons) or for the full year upfront. The cost of lessons missed due to non-delivery by NMPAT will be deducted from the final term's invoice or refunded during the final term if you have paid in full. Students missing lessons due to forgetting or illness unfortunately cannot be refunded. More information on the breakdown of the costs is on the form below.

Please fill in the form [HERE](#) if you are sure, you would like your child to undertake music technology lessons. The deadline to complete the form will be **Thursday 23rd January 2025**. Their session time and day will be given to them once they have signed up.

If there any questions, please do not hesitate to contact me via enquiries@corbytechnicalschool.org and I will more than happy to assist.

Yours sincerely,

Mr J Harragan
Head of Performing Arts
