

15th February 2019

Dear Parent/Carer

Re: Tomorrow's Engineers Robotics Challenge – Friday 8th March 2019

As you are aware, your child has been taking part in preparations for the Tomorrow's Engineers Robotics Challenge competition. The challenge is a national competition involving 100 schools across the UK. Our regional final will take place at the Rolls-Royce Learning and Development Centre in Derby. There is no cost for attending this competition

To allow us adequate time to travel to the venue, the minibus will be leaving school promptly at 7.45am, so students must arrive no later than 7.35am. Students will be required to have breakfast before arriving at school and will also require a packed lunch for the day. We expect to arrive back to the school at 4.30pm.

To give students the best possible chance in the competition, we will be holding a final preparation session at Corby Technical School on Thursday 7th March from 10am – 3pm.

Please complete the reply slip below and return to school reception before Friday 22nd February 2019.

If you have any further questions, please do not hesitate to contact Mr Gourlay at gourlay@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal

Reply Slip – Tomorrow's Engineers Robotics Challenge

We/I give permission for to attend the Tomorrow's Engineers Robotics Challenge in Derby on Friday 8th March. We understand that the coach will leave the school promptly at 7.45am and that our child will need collected at 4.30pm.

My child will also be attending the preparation session on Thursday 7th March (10am – 3pm)
