

2<sup>nd</sup> April 2019

Dear Parent/Carer,

**Re: Year 13 - A-level Physics Practical Trip to Brooke Weston Academy**

In order for your child to successfully complete their A-level physics course, they will need to gain the 'OCR practical endorsement' which requires them to conduct a set of required practical experiments. Students have one such experiment left to complete which we will complete at Brooke Weston Academy. The experiment involves the students analysing the results of a radioactivity experiment which will be demonstrated by a trained member of staff in controlled conditions approved by both OCR and the Brooke Weston Trust.

The students will travel to Brooke Weston Academy at 1.35pm on Wednesday 10<sup>th</sup> April and will return to Corby Technical School at 4.00pm. There are no costs for this as it is part of their A-level studies. Please sign and return the permission slip below as soon as possible as this trip is a crucial part of the course.

If you have any further questions please contact Mr Godfrey at [dgodfrey@corbytechnicalschool.org](mailto:dgodfrey@corbytechnicalschool.org).

Yours sincerely,

Mrs A Reynolds  
Principal
