

29th May 2019

Dear Parent/Carer

Re: Taster Day at the University of Cambridge Engineering Department

Your child has been selected to take part in a Cambridge University Taster Day at the University of Cambridge Engineering Department on Thursday 13th June 2019.

During the trip students will have the chance to tour and experience the world class engineering department of the college, take part in a practical, hands on activity, visit the wider university campus and facilities, as well as see some of Cambridge itself. Although there is an engineering focus for this trip students do not have to be interested in pursuing a career in this field – the intention is to give students an experience of university life in a world class institution.

Students will travel by minibus departing from the school at 8.50am and returning at approximately 5.00pm (dependant on traffic). Parents are advised to drop students off at the normal time. Students will need to have breakfast before arriving at school and will also require a packed lunch for the day and any additional snacks. They are also required to wear full school uniform.

There is no charge for this trip. Please complete the attached reply slip and return it to school by Wednesday 5th June 2019. If you have any questions please contact Mrs Arnold at larnold@corbytechnicalschool.org.

Yours sincerely,

Mrs Angela Reynolds
Principal

I give permission for my son/daughter to take part in the Cambridge University Taste Day at the University of Cambridge Engineering Department on Thursday 13th June 2019.
