Re: Car Crash Careers Day at University of Northampton

Dear Parent/Carer

We have been given the opportunity to invite a select group of students to the University of Northampton to take part in their Car Crash Careers Day on Wednesday 12th June 2019. The event is based on events before and after a car crash scenario. Students will learn about what has happened in the crash scenario before taking part in various workshops linked to the incident, such as emergency services, medical, journalism and forensics. The aim is to increase knowledge of these subject areas and of higher education. Please read through the enclosed Crash Scenario Description for background to the incident and more information about arrangements for the day.

Students will have breakfast at school prior to departing at 9.00am. We will travel to the event by school minibus and students will be accompanied by Mrs Arnold. Students will require a packed lunch and plenty to drink but please note fizzy drinks and sweets are not permitted. If your child is eligible for free school meals and you would like lunch to be provided for them, please indicate this on the slip below. Students should attend in full uniform and will return to school at approximately 3.30pm.

To confirm that your child would like to attend, please return the reply slip below and to school reception no later than Wednesday 5th June 2019. If you have any queries regarding the event please contact Mrs Arnold at larnold@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal

Re. Car Crash Careers Day – University of Northampton

Student's Name _____ Form: _____

I give permission for my child to attend the Car Crash Careers Day event

My child is entitled to free school meals and will require a packed lunch
