

4th June 2019

Dear Parent/Carer

Re: Year 9 History Trip – “Revolutions Day”

I am pleased to inform you that our Year 9 History students have been invited to take part in an exciting event being held at Uppingham School. Students will have the opportunity to look at the French, Russian and American revolutions and will then take part in a debate on “Which was the most important revolution: French, American, Industrial or Russian?”. A guest speaker from Leicester University will lead the debate for the Industrial Revolution with teachers and students arguing the French/Russian/American revolutions.

Staff and students will travel by minibus leaving school at 9.30am, returning at approximately 3.00pm (dependant on traffic). Students will have breakfast before departing from school , and lunch will be provided. All students must wear full school uniform. There is no cost for this educational trip.

If you have any queries please contact Mrs Hopkins at ehopkns@corbytechnicalschool.org.

Yours sincerely

Mrs A Reynolds
Principal
