

21st August 2018

Dear Parents/Carers

YEAR 11 2018/2019

Students next year will be entering the most important year of their education. In order to maximise success for all students we will be utilising after school sessions throughout the year to provide revision workshops, as well as individual support, where required. We also plan to deliver holiday booster sessions in a variety of subject areas. These are likely to run over the October and March holidays.

The provisional exam dates for next year are from **Monday 13th May 2019** to **Wednesday 26th June 2019**. Students will therefore be sitting exams during the May school holiday. GCSE results day will be **Thursday 22nd August 2019**.

Students should not be taken out of school in term-time for family holidays and it is vital that this is avoided for all Year 11 students. As detailed above the GCSE examination series will mean that compulsory examinations will take place during the May school holiday so again no holidays will be able to be taken during this time.

We will be writing to you again to share potential ways we can all work together to ensure that every student can make the most of the opportunities available to them.

Yours sincerely,

Mrs A Reynolds
Principal
