

4th December 2020

Re: TERM 3 YEAR 7 CO-CURRICULAR CLUBS

Dear Parent/Carer,

We have enclosed a programme of our Term 3 after-school provision available for Year 7 students on a Monday and Friday. The booking system is now live. Please follow this link to the [parents evening system](#).

Here are some further details:

- Bookings must be made by the parent/carer.
- By booking the session you are agreeing to your child attending the session every week for Term 3. In the event your child is unable to attend please inform the school.
- Bookings must be made by Wednesday 16th December; the system will not accept any bookings made after that time. There are limited spaces in some clubs and these will be allocated on a first come first served basis.
- Students who are not booked on to a session will not be permitted to attend and will need to leave school at 3pm.
- Students attending will leave school at 4pm, please ensure that you have made arrangements with your child so that they know how to get home.

If you have any further questions please contact the school on enquiries@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal

Year 7 Co-curricular Provision

MONDAY

Board Games	Come along and test out your strategic thinking in a game of chess or have a go at some other traditional games.
Lego Club	Develop your ability to follow plans and instructions to construct a commissioned piece in Lego.
Madhatters Book Club	Take part in reading and discussing books throughout the year. Includes book related activities, videos, and games.
Debate Club	Expand your critical thinking around current issues and build confidence sharing your ideas.
First Aid	Learn the principles of basic first aid from our local CCF officer.
Homework Club	An opportunity to use the computer suite to complete any homework that you have been set on Show My Homework.
Craft Club	Get crafty, trying out a range of new techniques to express your creativity.

FRIDAY

Code Club	Come along to use your programming skills to create a variety of software including computer games.
Music Tech Club	Learn how to create your own music tracks using Garage Band.
Sports	A variety of sporting activities depending on the weather!
Comic and Animanga Club	For those who enjoy reading comic books, graphics novels, and manga. Watch anime/comic adaptations and create your own comics.
Craft Club	Get crafty, trying out a range of new techniques to express your creativity.
First Aid	Learn the principles of basic first aid from our local CCF officer.
Drama Club	Take part in Drama games that warm up your vocal, physical and team-work skills. Each session will focus on a key Drama skill and you will have the opportunity to create and rehearse short pieces of Drama, and perform them to the rest of the group to receive feedback from each other and the teacher. The aim of this session is to encourage students to step outside of their comfort zone, build their confidence, and gain a better understanding of the key skills needed to be successful in Drama.
