GCSE Art & Design

Dear Parent/Guardian,

I am writing to inform you that in order for our students to maintain high standards in their GCSE Art coursework, the Art department are suggesting that students purchase their own art materials. This will allow students to have access to the necessary equipment at home and mean they are responsible for maintaining the standard of their equipment.

It is **not compulsory** for you to purchase this equipment.

The department have put together a student pack consisting of:

- A set of watercolour paints (x12)
- 4 paintbrushes sized 0, 2, 4 and 6
- A set of 5 high quality drawing pencils
- A large rubber
- A black fine liner pen
- Plastic A4 folder to carry the Art materials

The cost of the pack is £9.50 and can be purchased via Wisepay. A completed reply slip (below) must also be returned to the school's reception. The equipment will then be available to collect from reception. If you have any queries, please do not hesitate to contact me at ahirst@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal

GCSE Art Resources return slip.

Please return to reception
