

9<sup>th</sup> April 2021

Dear Parents & Carers,

**Re: INTERNAL ASSESSMENTS THIS TERM**

Further to our communication on 22<sup>nd</sup> March I write to you with some further detail regarding the Year 11 assessments that are taking place this term.

As you know, there are no formal examinations this Summer and the school will be submitting grades to the exam boards for all subjects and courses. As well as taking into account any previous assessments, students this term will also be working on some further internal assessments. On Thursday 8<sup>th</sup> April, students were issued with the following information:

- A list of qualifications that they have been entered for. This will need checking and any queries should be directed to our examinations officer, Mrs Stevens, by e-mailing [sstevens@corbytechnicalschool.org](mailto:sstevens@corbytechnicalschool.org).
- A detailed statement of entry of each subject the students have been entered for. This has further detail including the examination board and course code.
- An assessment timetable that details out the dates on which students will be sitting assessments in each of their subjects.

Students are working very hard in lessons and we know that they are keen to do well in these assessments. Please be reminded that we will be taking into account a wide range of evidence: NEA assessments, class tests, classwork and homework, and assessments and classwork from now to the end of the course.

Some students are choosing to come in to school from 8am to use the school facilities in their Year Group zone. Year 11 students can also use the school facilities to study on a Tuesday, Wednesday and Thursday until 5:00pm. They may wish to study quietly, use our computers or speak with the supervising member of staff.

If you would like further information regarding the process JCQ have produced an information booklet for parents/carers and students that can be found [here](#).

If you have any questions relating to this, please contact your child's form tutor or e-mail Miss Arshad, Head of Year 11 [sarshad@corbytechnicalschool.org](mailto:sarshad@corbytechnicalschool.org).

Thank you for your continued support.

Yours sincerely,

Mrs Reynolds  
Principal
