

2nd July 2021

Year 11 Results Day Arrangements

Dear Parent/Carer

I am writing to you to outline the arrangements for GCSE Results Day 2021. As a school we recognise that this year has been a challenge for our Year 11 cohort. Along with their exams being cancelled they have also missed out on other key celebrations that would normally take place towards the end of the school year which I know has been disappointing.

Results Day:

Results day will take place on **Thursday 12th August**. Our preference is for students to collect results in person if possible as we will have staff in place to support students with their next steps on the day.

As restrictions currently stand, our arrangements for collecting results on site will be fully compliant with social distancing guidelines. Collection times will be staggered by tutor group, there will be socially distanced queueing in place. Please can you ensure that your child arrives only in their allocated tutor group slot as identified below.

11C 8.30am

11T 9.00am

11S 9.30am

If your child is not able to collect exam results in person, they can call the school after 11.30am and be given their results over the phone. Please note that the school will not be able to give results to anyone else (including family members) without written consent from your child. Any results not collected in the day will be posted to students at the end of the day. For queries relating to the collection of results please contact the examinations officer, Mrs Stevens at exams@corbytechnicalschool.org.

Corby Technical School Sixth Form:

Mrs Arnold will be available on results day to meet with students who will be returning to Corby Technical School for sixth form.

Other destinations:

In the weeks following results day school staff, including our careers advisor, will be available to support students with their next destination if they are still unsure. Once students have made a final decision, they should confirm their place at their chosen provider as soon as possible. The careers advisor will continue to make contact with students as we need to ensure that all of our students have a pathway appropriate to them. Year 11 students who are not staying on to attend the Corby Technical School Sixth Form in September 2021 must confirm their actual destination no later than Wednesday 16th September 2021, so that the school can comply with this legal requirement in due time. Our careers advisor will be contacting any students for whom we do not have their destination information.

Finally, I would like to thank you for your continued support throughout the years your child has spent at Corby Technical School. It has been an absolute pleasure to watch them grow and develop during their time here, and as they move on to their next phase of education, we wish them all the best.

Yours sincerely,

Mrs A Reynolds
Principal
