

10<sup>th</sup> September 2021

Dear Parents/Carers,

**Re: Year 7 Meet the Tutor**

We are very pleased with how well the Year 7 cohort are settling in and would like to thank all the parents/carers for supporting the school with this unusual transition into secondary school. The students have quickly learned to navigate their way around the school and are becoming more independent day by day.

In recent years, during your child's first term at Corby Technical School, we would invite parents and carers into the school to meet your child's tutor. In the current climate this will not be possible; but we still want to build the important links between our dedicated student support team and the families of our newest students.

The Year 7 form tutors will hold a virtual meeting with parents/carers on the Wednesday 22<sup>nd</sup> September. The presentation will begin at 4.30pm and last approximately 30 minutes. A link will be sent to parents/carers with further instructions closer to this date.

We will not be able to discuss your child during this presentation, this is a general introduction to the school and your child's form tutor, however if you do have any concerns you may contact your child's tutor directly, details of our Year 7 tutors can be found [here](#).

Yours sincerely,

Mrs A Reynolds  
Principal
