Re: Women into STEAM Event

Dear Parent/Carer

Your child has been selected to attend the above event at Rockingham Motor Speedway in Corby on Thursday 1st November 2018. Women into STEAM was created to demonstrate to young women the vast range of fields open to them. The feedback from the 2017 event showed that 76% of attendees had a better understanding of careers in STEAM and would consider picking a STEAM subject to study in future and 80% said that the event had given them a better opinion of STEAM.

Students will each experience: a STEAM exhibition; key note speaker Rebecca Smethurst – an inspirational Astronomer famous for her talks on TV and at the National Space Centre, a steam workshop and a Champions of Steam rotation challenge around our special guests.

Students will travel by minibus with Mrs Morgan and will leave school at 9.00am and return for 3.00pm. Students will have breakfast before leaving school but will need to bring a packed lunch with them. Students will wear full school uniform and normal expectations in regard to behaviour will be in place.

Please complete the slip below and return to school reception. If you have any questions please contact Mrs Morgan at emorgan@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal

I/We give permission for to attend the Women into STEAM at Rockingham Motor Speedway on Thursday 1st November 2018.
