

2nd November 2021

Re: CTS Sixth Form Open Evening

Dear Parent/Carer,

To ensure your child makes an informed decision on their post-16 options we will be running two further Sixth Form Open Evenings on Tuesday 9th November and Thursday 3rd February.

The open evenings are for Year 11 students and their parents/carers to discuss the exciting Sixth Form provision on offer at Corby Technical School. The event will start at 5:30pm with a presentation in the Hall, followed by the opportunity to talk to a subject specialist about the courses available for 2022-23 academic year.

To book a place at one of the open evenings, please email enquiries@corbytechnicalschool.org.

Kind regards,

Andrew Hallas
Head of Sixth Form
Corby Technical School
