

11th January 2022

Dear Parents/Carers

Re: Year 8 Progress Reports

Please find enclosed the Year 8 Term 3 Report for your child. This report provides information on the progress your child is making in each subject in relation to the end of course target grade. Our reports have been updated to ensure that the focus is on how your child can improve their learning in the classroom. We encourage you to discuss your child's learning focus comments to support them in understanding how they can improve their learning and make further progress in lessons.

Year 8 Student Progress Evening:

We would like to remind you that the student progress evening will be taking place on Wednesday 12th January 2022. It is highly important that you attend this progress evening in order to get a full understanding of your child's progress at this critical time in their education, it will also be a good opportunity to discuss your child's report. Our progress evenings will continue to take place virtually this year, through the Parents Evening Booking System video appointment function. If you require support logging into the system, please refer to the letter sent on Thursday 16th December. You can also contact the school at enquiries@corbytechnicalschool.org if you require further support.

Upcoming Year 8 Reports:

You can expect your child's next progress report on the following date:

- w/b 27th June 2022

If you have any questions please contact Miss Arshad, Head of Year 8 at sarshad@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal
