

25th January 2022

Dear Parents/Carers

Re: Year 12 Progress Reports

Please find enclosed the Year 12 Term 3 Report for your child. This report provides information on the progress your child is making in each subject in relation to the end of course target grade. Your child's teachers have written personalised comments on your child's progress in the course so far. We encourage you to discuss the learning focus comments with your child to support them in understanding how they can improve their learning and make further progress in lessons.

Year 12 Student Progress Evening:

We would like to remind you that the student progress evening will be taking place on Thursday 27th January 2022. It is highly important that you attend this progress evening in order to get a full understanding of your child's progress at this critical time in their education, it will also be a good opportunity to discuss your child's report. Our progress evenings will continue to take place virtually this year, through the Parents Evening Booking System video appointment function. If you require support logging into the system, please contact the school at enquiries@corbytechnicalschool.org.

Upcoming Year 12 Reports:

You can expect your child's next progress report on the following date:

- w/b 11th July 2022

If you have any questions please contact Mr Hallas, Head of Year at ahallas@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal
