Year 11 Update on Summer examinations

Dear Parents/Carers,

You will have received your child's examination timetable in a separate email this week, if you have not received this, please contact the school at exams@corbytechnicalschool.org. Students have also been given a paper copy. As we outlined in previous communications, information regarding the examinations can be reviewed [here](#), this area of the website also contains our master exam timetable should a student misplace their individual one.

May holiday revision

There will be revision sessions during the break, the details of which can be found [here](#). In addition to the revision sessions, students are also welcome to attend school to use our facilities between 9.00am and 3.00pm during the holidays. Students do not need to be in uniform except when attending for examinations. Students will be supervised whilst on site and will be required to sign in and out at school reception. They will be permitted to come and go as they please.

Examinations taking place during the holidays

Students should arrive by 8:30am for a morning examination and by 12:30pm for an afternoon examination. School will be open from 8:00am on examination days and a complimentary breakfast and lunch will be provided for students. It is vital that students arrive on time for their examinations. If there are any issues on the day, for example, an unexpected road closure that will make a student late, please call reception as soon as possible on 01536 213100.

Next term

All students are expected to attend as normal after the holidays. Students will still be welcome to use our facilities after-school until 5:00pm on a Tuesday to Thursday to revise. Where students have completed courses e.g. Art, they will be able to use that lesson time for independent revision.

Results Day

Results Day for GCSE examinations is Thursday 25th August 2022. More details will follow towards the end of the examination period.

If you have any queries regarding examinations or assessments, please do not hesitate to contact the school at enquiries@corbytechnicalschool.org for the attention of Mr Gourlay, Assistant Principal. If you have any other queries please contact Mrs Feeley, Head of Year 11.

Having met with students individually over this week or so, I am delighted with how focused and ambitious they are. I wish them the best of luck over the examinations period.

Yours sincerely,

Mrs A Reynolds
Principal
