

9th June 2022

Dear Parent/Carer

Re - Year 7 Activity Week Monday 4th July to Friday 8th July 2022

Year 7 students are getting very excited about the activity week which we are delighted to inform you will take place at the end of this term. Attached is the information on the activities students will complete during this week. The total cost for the week will be £40 per student. Payment can be made via Wisepay and full payment must be received by **Friday 1st July 2022**. Please also complete the permission slip on Wisepay and a link to the behaviour contract can be found **here**, this must also be completed if you wish your child to attend.

Students are not required to wear school uniform during this week but will need to wear appropriate comfortable clothes, which you do not mind getting dirty, and appropriate footwear such as trainers. Your child will need swimming kit and a towel on the day they visit the Corby International Pool. You will need to also provide an extra set of clothes and a towel for the day your child visits Rutland water, as they will be carrying out water-based activities.

For the cooking activity the students will prepare and cook cinnamon swirls, there will be an alternative for allergen sufferers. Please provide a container for your child.

Student will need the following for the Rutland Water Trip:

Packed Lunch
Change of Clothes
Towel
Old trainers
Swimwear
Carrier bag for wet clothing
Warm Jumper
Sun hat and sun cream if necessary

Cinema and Swimming Trip:

Students will require swimwear and a towel. Unfortunately, the kiosk will not be open at the Savoy Cinema for students to purchase drinks and snacks.

All activities will take place during the school day. Students who do not take part in the week will be in lessons during the week and not able to take part in any activity. It is our aim for all Year 7 students to take part in these activities. If you feel you require any financial assistance towards the cost of activity week, please contact our Finance Office at accounts@corbytechnicalschool.org.

If you have any queries regarding the activity week please contact Miss Buffini, Head of Year 7 at lbuffini@corbytechnicalschool.org.

Yours sincerely,

Mrs L Arnold
Vice Principal

Monday	Tuesday	Wednesday	Thursday	Friday

Off Site Activities Terms and Conditions

Any student leaving Corby Technical School prior to the trip will not be permitted to travel and will forfeit all monies paid.

Non-refundable deposits

All deposits are non-refundable.

Non-refundable payments

Should a student withdraw from the trip or be unable to travel, you will be liable for monies paid to the Travel Company by Corby Technical School in accordance with the detailed payment schedule, unless covered by the insurance or there are students on the waiting list for the trip who are able to take the place. Deposits, in this case, are still non-refundable as Corby Technical School has to pay the administration charges for name changes to the Travel Company.

Health form and emergency contact details

It is a pre-requisite for every trip that students provide a completed and signed form containing details of any existing medical conditions plus details of any medication they are currently taking. Twenty-four-hour emergency contact details for students must be provided to us prior to the trip.

Conduct

The Principal reserves the right to remove any student from any trip in the event of a serious behavioural incident occurring prior to the date of travel. Any refund will be at the discretion of the Principal.

Insurance

Health and travel insurance is included in the price of the trip. Full details can be made available on request.

Force Majeure

Corby Technical School cannot accept liability, make any refunds or pay any compensation where circumstances amounting to 'force majeure' prevent travel. Circumstances amounting to 'force majeure' include any event which the tour company or Corby Technical School could not, even with all due care, foresee or forestall such as (by way of example not by way of limitation) war, threat of war, riot, civil unrest, industrial dispute, terrorist activity, natural or nuclear disaster, fire, acts of God, adverse weather conditions, and all similar events. The final decision concerning the safety and viability of any trip rests with the Principal, who will, where possible consult with parents beforehand.

Payment schedule

Any default in payment, unless previously agreed with the Finance Office, will result in the place being withdrawn. You will be liable for monies paid to the Travel Company by Corby Technical School in accordance with the detailed payment schedule, unless there are students on the waiting list for the trip who are able to take the place. Deposits, in this case, are still non-refundable as Corby Technical School has to pay the administration charges for name changes to the Travel Company.

No outstanding balance on student account

The Principal reserves the right to refuse a place to any student who has a substantial outstanding balance on their Wisepay account (this relates to any outstanding funds for school meals or previous trips), either on payment of the deposit or at any time thereafter. In addition, it is expected that all accounts will be settled in full no later than one month prior to departure.
