

6th July 2022

Changes to Break and Lunchtime - effective from Monday 11th July

Dear Parents/Carers

From Monday July 11th we will be making changes at break and lunchtime in preparation for the next academic year. Due to the proposed changes, there will be a greater number of students having lunch at the same time. Therefore, we will be extending the available outdoor areas to include grass zones. The food collection points will also be expanded to meet the necessary capacity, so students will now be able to choose between buying food from the restaurant, grab-and-go food from the theatre, or to bring their own packed lunch. Payments for school-bought food will continue to be made through the WisePay system as usual.

We will be speaking with students about these arrangements later in the week and making them aware of our expectations regarding their conduct in each available space. As always, we expect exemplary behaviour, and view the lunch break as an important time to teach mature manners and embed our positive and safe community culture.

In addition, from Monday 11th July lockers will no longer be available. All students will need to carry their belongings to their lessons throughout the day. All students will need to empty their lockers and remove any locks by Friday July 8th in readiness for this change. Should a student be absent from school on this day, we will do this and leave their belongings at school reception to be collected.

If your child does not have a school bag ready for Monday, we are able to provide a temporary bag for use during week 8. Please ask your child to inform school reception staff if they will require a bag.

If you have any queries, please do not hesitate to contact the school via enquiries@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal
