

14th June 2022

Dear Parent/Carer

Re: Festo Engineering Trip – 23rd June 2022

We are delighted to be able to take a group of Year 7 students to the Applied Automation Centre at Festo Engineering in Northampton on Thursday 23rd June. Students will have the opportunity to look at pneumatic engineering applications and robotics in the workplace.

This is a trip we have run several times since the school opened, it is a great opportunity for students and enhances their understanding of technology, providing them with an awareness of the opportunities available in engineering.

Students will depart from school at 11.30am and travel via school minibus to Festo, we will return at approximately 4.00pm. Students will need a packed lunch for the trip.

There is no cost for this trip, if you are happy for your child to attend, please give permission via your child's Wisepay account.

If you have any further questions, please contact Mrs Arnold at larnold@corbytechnicalschool.org.

Yours sincerely,

Mrs L Arnold
Vice Principal
