Re: Readiness for School Reminders

Dear Parent/Carer

We have had a fantastic start to the new school year and students have settled in well to school life. During these first two weeks we have been delighted with how students are presenting in school with their uniform, and we hope this continues throughout the school year. We are writing to you further to our communication at the end of last term where we advised that all students require a school bag in which to keep their belongings and big enough to carry necessary PE kit, drinks bottle, packed lunch, school books and stationery. These should be plain in design and not display any inappropriate wording or images.

Please ensure your child has a school bag as it is important that their belongings are kept together during the day and will prevent any loss of equipment. The expectation is that mobile phones are switched off and kept in their school bags also. If your child does not have a bag and their phone is on their person upon their arrival, this will be collected and kept at school reception until the end of the school day. Students are aware of these expectations. If you have any queries, please contact me via enquiries@corbytechnicalschool.org.

Yours sincerely,

Mr B Armstrong
Assistant Principal
